President's Report
AGM Clan Douglas Association of Australia
8th November, 2008 at 116 Strong Ave. Graceville, Brisbane

2008 has been quite a productive year for CDAA. Mainly as a result of our website, we have welcomed 12 new members this year. The initiative of a few words of introduction of new members to write something about themselves, their family, their environment, their lifestyle so that we may all get to know each other and share the fellowship of membership. The President's prize of \$50-00 for introducing the most new members for the year to CDAA has been won by Website Administrator Penny Shaw. Congratulations Penny — keep up the good work!

In our electronic media age, another first has been achieved by e-mailing our Newsletter to those members who have requested it.

During the year, our Vice-president, Dawn Douglas resigned and this position was filled by Jenny Smith. Jenny volunteered also to help Mary Smith with the Newsletter. These moves bring me to say 'thank you', and to all members of my committee as well — without whose valuable commitment and dedication we could not function. Committee meetings are run efficiently as members all turn up willingly and contribute by taking on responsibilities, which in turn serve all our members far and wide.

In April, a bus load of CDAA members and friends enjoyed 'looking at early Queensland History in Ipswich' where we all learned something of our heritage. And while on the subject of Queensland History, 2009 is the 150th Anniversary of the birth of Queensland with the Separation from New h Wales in 1859. I am making a personal recognition of this by submitting short biographies of 11 of my 'Pre-Sep' ancestors to a Queensland Family History Society publication.

At the end of June, Clan Douglas had a good roll up of members for Kirkin' the Tartan. This is an annual event which always 'brings out our Scottish blood.' Kate Godfrey was our Banner Bearer and Penny Shaw and Bo were the Tartan Carriers. Each year, CDAA awards a prize of \$100-00 to a boy showing proficient skills in the vocational subjects of woodwork and metalwork at Scots PGC College in Warwick. The award is 'the Ron Douglas Memorial Bursary' and is in memory of our founding President Ron, who was skilled in these handicrafts. The recipient of the 2008 award is Ben Tomkins.

Our financial position is steady. Most of our committee have always rejected moves to increase the cost of membership. We want to keep our members without burdening them with extra costs and I hope our members will appreciate this in the present financial meltdown and stay with us.

Our Newsletter editors do a wonderful job but they do need your help by contributing articles of interest or debate. Don't be just a reader, be a writer/contributor too! Your efforts will be greatly appreciated as they will be by our Website Administrator when you post up information/queries/debate issues etc. on the website.

yDNA testing of male Douglases all over the world is providing great interest as we link with the ancient Douglas lines and find previously unknown cousins everywhere. All Douglas males are eligible to be tested and every test provides a larger pool for links and relationships. Anyone interested should contact our member, Dr Beryl

Turner at bturner@occmcd.com.au or

<http://www.familytreedna.com/public/Douglas/dna>

And finally, thank you all for your support. I wish the Season's Greetings for a Happy Christmas and a healthy New Year to you all.

Jan Shaw, president.

NEWSLETTER EDITOR'S REPORT FOR 2008

It gives me much pleasure as Newsletter Editor, to present the Report for 2008.

Four newsletters have been produced since the AGM in November last year and I have tried to keep the main interest stories evolving as much as possible. Our president would like to see more personal profiles published so if you can help in this direction, please write a short account of your story and post or email to me. (Addresses on front cover of Newsletter) Besides having a permanent record that you can call on at any time, it is always of interest to the members of the Clan Douglas Association of Australia. We are all family and as such, would love to hear from you.

We need research queries also to help other members who may be looking for long lost relatives or ancestors. Please help us to help you and so keep the newsletter a viable and sought after publication.

A different Christmas or birthday present to give a loved one could be the gift of membership to the Clan Douglas Association of Australia. On every newsletter you receive there is always an application form at the back. Just fill this in and mail to the

Membership Secretary, Ms Sue Taylor, 6 Helidon Grove, Jacob's Ridge, Ormeau, 4208, Queensland, Australia with the \$20-00 membership fee.

GENEALOGICAL CO-ORDINATOR'S REPORT FOR 2008

It gives me much pleasure to present my report for 2008.

This year has been similar to previous years and I regret that there has been very few letters for me to answer regarding genealogy. Our president has emailed me enquiries regarding non-members and I have received one enquiry re a member's pedigree.

There has been quite a lot of interest in the yDNA data during the last twelve months so there must be quite a few families who do not know from which branch their particular family originates. You will find a detailed explanation of this project in Newsletter #77 for March. For more information about the project please contact Dr Beryl Turner — bturner@occmed.com.au

The library of the Clan Douglas Association of Australia has received a detailed pedigree copy of the descendants of John and Mary Douglass whose family were christened in St Paul's Covent Garden Westminster, England commencing 1753. I thank Bob & Chris Douglas for depositing and donating this information to our library.

Again I ask if any members are aware of Douglas or sept family stories, the Clan Douglas would like to know about them subject to purchasing for our library.

Research queries are needed for insertion in the newsletters. We have not received many this year and this free facility continues to be underused.

Treasurer's Report

I present the financial statements, including the profit and loss statement and balance sheet, for the Clan Douglas Association of Australia for the year ended August 2008.

As agreed in a general meeting of members, the accounts have not been audited this year. We have good controls over our bank accounts and the costs of such an audit were agreed to outweigh benefits to the members. All records which support the accounts are filed and are available for inspection if required.

The net result for the year was positive, with an increase in assets of \$322.47 and no liabilities.

Costs incurred this year were mainly for the regular production of newsletters and genealogy DNA investigations.

Membership income remains strong and supports the annual costs of running the Association so that we remain financial into the future.

Kind regards

K H Godfrey

CDAА Website

Administrator's Report 2008

by Penny Shaw

Launched in December 2007, the CDAА website has now been operational for a full 12 months. I'd like to thank all those who have supported the project in its infancy and hope that this support will continue to grow.

Since January 2008 the site has attracted 6393 unique visitors (i.e repeat visitors are only counted once) with approx 230,084 hits in total.

Other interesting statistics regarding usage are included at the end of the report.

Website Features

The website currently offers the following features for members and general public.

- General Information about the Clan Douglas (members and public)
- Family tree software (members only)
- Events (members and public)
- Discussion board (forum for members and public)
- Photo gallery (members only)
- Newsletters (members only)
- Application form (public and members)

Although the site is still under utilised by members, it is hoped that some marketing strategies to be implemented throughout 2009, including regular competitions, will improve member utilization. Details of the first of these

competitions can be found in this newsletter, as well as on the website.

Technical Information

For anyone who is interested - the website was built using the free open-source software Joomla which is a combination of php code and a mySql database. It is hosted by the Web Guys in Brisbane for \$21.95/month.

Revenue and new members

There have been 8 new members who have joined via the website.

Pay per click advertising was trialled with Google adsense, allposters, and adbrite. Although returns are slow, this form of revenue raising remains a consideration.

Membership Payment Methods

The use of paypal as a payment method was trialled, however due to restrictive terms and conditions, it was decided to disable this feature.

The site advises potential members to pay via cheque or direct deposit upon request of our bank account details.

Website Help

I am more than happy to help members with using the site. If you need help,, please email me at

SANDILANDS, LORD ABERCROMBIE

Sir James Sandilands the eldest son of William and Jean Sandilands nee Bothwell, married in August 1620 Agnes Carnegie, second daughter of Sir David Carnegie of Kinnaird, 1st Earl of Southesk. James was knighted 1630 and predeceased his father, dying in 1644 or 1645 and had

1. James Sandilands
2. David Sandilands
3. George Sandilands
4. Margaret Sandilands
5. Catherine Sandilands
6. Marjory Sandilands

1. Sir James Sandilands son of Sir James & Lady Agnes Sandilands nee Carnegie, was knighted c.1643 and was served heir to his grandfather 05/Jul/1645. He had a charter with his wife of the barony of Ferniflat, co. Kincardine in 1643 and one of the barony of Abercrombie in co. Fife on the resignation of James Crichton in 1646, but did not hold it for any length of time as he resigned it in 1649. He was created Lord Abercrombie in 1647. However, he wasted his inheritance and in 1649 disposed of the lands of St Monans to Sir James Arnot of Fernie and the barony of Abercrombie to General David Leslie in 1650. In March that year, Sir James Sandilands embarked for the Continent to escape a scandal of his making where he remained until 1658. By 1666, he was in financial trouble again and executed a disposition of his estates in favour of his creditors. Sir James Sandilands married (1) Jean Crichton daughter of Patrick Crichton of Dunninald. The couple had

1.1. James Sandilands

1.2. Anna Sandilands who appears as a creditor of her father in the deed of 31/Dec/1666 for the sum of 2,000 pounds from her mother's estate. Sir James Sandilands, Lord Abercrombie, married (2) Christian Fletcher, widow of James Grainger, minister of Kinneff previous to 1664 when he granted her a liferent charter of the lands of Largie.

1.1. James Sandilands, second Lord Abercrombie, was the last holder of the title, dying unmarried, in obscurity and poverty at Kinneff in 1681 when the peerage became extinct. It is of interest, that the Lords of Session in their return to the House of Lords in 1740 observe that it does not appear that either the patentee or any successor of his in that right ever sat or voted in Parliament, nor had any one ever offered to vote in right of that peerage at any election since the Union.

ARMS: No authority for his arms has been found, except a painting in a volume of Peer's Arms in the Lyon Office, of the date 1720 as follows:

Quarterly: 1st and 4th argent, a bend azure, for Sandilands; 2nd and 3rd argent, a man's heart ensigned with an imperial crown proper; for Douglas

Crest: A talbot's head couped argent, collared azure.

Supporters: Two talbot's argent, collared azure.
